### "Translucent Dangle Earrings" Earrings with Anke Humpert

#### Supply list:

##### Polymer Clay:

- ~~( 2 blocks "translucent" ( I prefer "Premo" or "Pardo" ) 2 blocks colours of your choice ( I used white and a light blue). )~~

**Clay will be provided by Polyform Products ;-)**

##### Polymer clay tool box:

- A clay machine,
- A smooth even **work surface**, like a tile or a sheet of glass
- A blade
- An acrylic roller
- An Exacto knife or a thin craft knife
- Assortment of cutters ( 3-4 cm/ 1-1 ½ inch length)
- A needle tool
- Waterproof pens like PITT artist pens ( by Faber-Castell), Lumocolor (by Staedtler) or Sharpies. Black, plus assortment of colours.
- Parchment or deli paper and
- A set of jewellery pliers (you will need a flush cutter and a set of round nose pliers)
- A small jewellery file
- **A roll** of thin wire (0.6 mm). Please bring **one roll of the wire**, we will need quite a bit of the wire!
- A short, round stick or rod (wood or metal, can be a pen!) with 7 or 8 mm diameter.
- A set of earring hooks or wire to make your own.
- A small tile to bake on (size: 6 x 8 inch (or 15 x 20 cm) or similar)

Any questions? Please let me know, so I can help!
