Spinning Wheel Pendants with Kathy Spignese

Oyumaru Molds with Ellie Hitchcock

If you haven't used this mold making material before, you might want to try it. It gets great detail and can be used over and over again. We will actually make some molds/texture sheets in this class. Bring along items you want to make molds or textures out of. I will have sticks of Oyumaru so that you can try it and see how easy it is to use.
