

# Art Deco Lidded Pots Workshop

## Carol Blackburn

### **Materials and Tools**

Polymer – 2 white, 1 black + 3 colours of your choice (I use Fimo Professional)

Scrap polymer conditioned to mud 2ozs

Pasta machine

Work tile

Sharp craft knife

Scissors

Liquid polymer and brush

Waterproof sandpaper 240, 400-800 grit & bowl for wet sanding

Bowl for wet sanding

Sharp tissue blade

Rolling rod

Knitting needle for modelling

Ruler/Measure

Marxit tool

2 Ripple Blades – wide and narrow gauge

Laminate sheet or smooth credit card

Deli paper for smoothing

Stiff cereal box cardboard or similar (poster board OK) for making the form around which we construct the polymer base and bake.

Graph paper any gauge

Scotch tape

Pair square wooden dowels 1 x 1 x 16 **cms** (approx. 3/8" x 3/8" x 6**ins**)

Pencil and Notepad

Wet wipes

**Carol will provide templates for creating the cardboard infrastructure for boxes**

Carol Blackburn 2018

### **Please note:**

Consider bringing a battery powered light for your personal use

DO bring a drop cloth/shower curtain and duct/painter's tape to cover the carpet under your personal work space.
